

January 20, 2021

To Our Participants, Family Members, and staff:

We have confirmation that one staff member has tested positive for COVID-19. All other staff have been tested and are negative. All close contacts have been called and informed.

We continue to test our staff every 72 hours and follow all guidance by CDC and DPH.

We ask that you call us with any questions at 508-752-2546.

**Our website is updated as needed. Please visit [www.saintfrancisadulthoodhealth.com/coronavirus-community-updates](http://www.saintfrancisadulthoodhealth.com/coronavirus-community-updates) for details.**

Sincerely,

*Judy Fowler*
